SENIOR CLASS HISTORY

In the school year of 1946-1947 we, the graduating class of this year, 1957-1958, first began the task of education. We appreciate what our parents, teachers, and the people of our community have done in order to prepare us for our future life.

We shall always remember our many classmates and teachers. Many of us will grow to know that these friendships will be some of the most valuable ones that we will ever make. Not only do we look back with certain regrets but also do we look forward with keen anticipation to meet our problems and responsibilities whole-heartedly. We feel sure of success because of our experiences here.

JUNIOR CLASS HISTORY

Here we are, Juniors. Many years have passed since we were little first graders. A great deal has happened to us. First, we've left behind us many of our silly ideas. We hope.

We have gained much from the guidance of our teachers.

With the work and experience of the Junior Class Play in April and the Banquet and Prom in May, we are now ready to move up to take the place of this year's seniors.

We are sincerely looking forward to a great year in 1958-59.
